

Group Name: Elected	Date: 1/19/2010	Convener: K. Maya-Aviles	Staff: Binti & Alma	
HEAD	HEART	FEET	IDEAS	IDEAS
Critical Thinking	Compassion	No feet	Reviewing previous strategic policy	Core values, courage
Find Resources	Empathy		Review policy on Children Family & Youth (06-07) - Councilmember Jackie Robinson (ad-hoc committee)	Wrong Process - this is not a conversation PUSD should be having
Read	Sense of community (part of puzzle)		Evaluate challenges with measurable	More fundamental questions/ issues that need to be addressed
"They can do it" attitude	Love of learning		Current efforts overlapping (City & PUSD)	Some people don't belong in their jobs
Write	Ability to respectfully disagree		To provide services to PUSD, it is very difficult to help them/give resources (college prep, books)	Structures (School site council) don't work
Good Communicator	Tolerance		Reinvent view of Education and schools if not working	Rich Boccia - Blair 1
Be Curious	Manners		Agreements exist, but don't become reality	Hierarchical - Top down cultural change
Basic Technology	Determination/persistence		Miss systemic issues	People in Admin, don't believe in PUSD (can succeed/highest goals)
Strong sense of self responsibility to responsibility to self & community	Desire to excel (drive)-Ganas		Attitude - different experience, different resources, treatment of principals at schools, unacceptable treatment of parents/customers	Numbers don't change decade/no improvement
Global Perspective	Honesty		Previous general plan, Where did we go after the plan?	Board not viewed as "boss"
Creativity	Obeying laws		Changing Culture: What does it look like? Child to feel loved at school, high expectations, respectful relationships in adults and kids	Lack of collaboration
Adaptable	Patriotism (sense of community)		Educate People	Structures (School site council) don't work
Maintain sense of values			Prepare and give resources to ensure participation	
Ability to work through problem (Prob. Solver)			"Inside" staff empowering parents	
Care about others			retaliation	
Math			Every decision at every level based on "Does this ensure a students success"	
			Core values, courage	
			Wrong Process - this is not a conversation PUSD should be having	
			More fundamental questions/ issues that need to be addressed	
<b>Summary of Priorities</b>				
No priorities	No priorities	No priorities	Lack of collaboration	
			Changing Culture: What does it look like? Child to feel loved at school, high expectations, respectful relationships in adults and kids	
			Reinvent view of Education and schools if not working
